Subject: LanTEK® II Series Cable Certifier Approval

Dear Mr. Hüdepohl,

TE Connectivity is pleased to announce the approval for use of the LanTEK® II Series Cable Certifier effective immediately under the conditions of this letter. This approval is based upon evaluation of the LanTEK® II Series Cable Certifier against the network analyzer that is used in TE Connectivity Labs.

LanTEK® II Series Cable Certifier is approved for use in both Permanent Link and Channel certification testing for all our Shielded Category 6A/Class E<sub>A</sub> system warranties.

The following configuration of LanTEK® II Series Cable Certifier is required:

LanTEK® II Firmware version 2.015 or higher  
IDEAL DataCENTER software version 1.3.1 or higher

Channel testing for Shielded Category 6A/Class E <sub>A</sub>	Cat 6/6A Class E/EA RJ-45 permanent link adapters
Permanent Link testing for Shielded Category 6A/Class E <sub>A</sub>	Cat 6/6A Class E/EA RJ-45 permanent link adapters

We will be notifying our global listing of authorized installers of this approval and will update our Field Testing requirements for Shielded Category 6A/Class E<sub>A</sub> system to include the LanTEK® II Series Cable Certifier.

Looking forward to our continuing good business relationship.

Sincerely,

Albert Font PMP  
Product Manager EMEA, India & ANZ
